

## SafeSend Returns™ for Your Income Taxes

Enjoy automated delivery, review and signature of your federal and state business, individual and trust tax returns

While we can't get rid of your tax-filing requirement, we can make the process hassle-free by leveraging SafeSend Returns.

With SafeSend Returns, you can take care of the delivery, review and sign your federal and state tax returns from the convenience of your computer, smartphone or tablet.

If applicable, you can also manage your Schedule K-1s electronically so you can focus on what matters most, your business.

User-friendly and highly secure, SafeSend Returns is an easier way to manage your tax return. The process is simple: Verify your identity, enter an access code and follow the step-by-step simple instructions:

Receive an email from Hayashi Wayland at [noreply@safesendreturns.com](mailto:noreply@safesendreturns.com). Add this email address to your safe list to prevent it from being sent to your spam or junk file.

Click on the safe link to access your tax return. Select "request access code." Then enter the access code you receive via email into the required field.

Review and download your documents and distribute K-1s (if applicable).

Electronically sign your e-file forms. They will be returned to Hayashi Wayland through SafeSend Returns.

**We file your tax returns easier, faster and safer**

With Hayashi Wayland, you will receive the best-possible service and technology the industry has to offer.
